AAU Celebrates the 52nd UAE National Day

Al Ain University celebrated the 52nd UAE National Day, commemorating the noble meanings and noble goals achieved by the efforts of the founding father Sheikh Zayed Bin Sultan Al Nahyan, May God have mercy on him.

The celebrations were attended by Dr. Noor El Deen Atatreh- Vice Chairman of the Board of Trustees, Prof. Ghaleb Al-Refae- AAU President, Prof. Amer Qasem, AAU Vice President (Abu Dhabi Campus), and Prof. Ibtihal Abu Rezeq, Vice President for Development and Follow-up Affairs and Dean of Student Affairs.

The Celebration on both campuses included different activities, such as; a heritage exhibition showcasing the UAE heritage and culture and

traditional arts that reflect the UAE's heritage authenticity, heritage tent, traditional foods corner and hawks show, military band show, Youla shows, traditional dances, theatrical performances and poetry shows which express the joy of citizens of this historic day, their loyalty and gratitude to the leadership.

It is worth mentioning that the celebrations had many visitors and attendees who expressed their love, loyalty, and belonging to the UAE.

AAU launched the SNAMS 2023 conference with the participation of 150 researchers and academics

The 10th International Conference on Social Networks Analysis, Management, and Security (SNAMS 2023) has kicked off at Al Ain University. The conference, organized in collaboration with IEEE, the University of Milan, and Graz University of Technology, will continue until November 24, 2023, at the university's campus in Al Ain City.

The conference aims to provide a platform for researchers to present and discuss their work related to social network analysis. It also seeks to explore opportunities and seek new contributions to overcome challenges in all aspects related to social networks. In addition, the conference aims to provide an opportunity for students, scientists, engineers, and researchers to discuss and exchange ideas, results, and new experiences in all aspects of social networks.

More than 150 researchers and academics from over 15 countries around the world are participating in the conference. These countries include the United Arab Emirates, the Kingdom of Saudi Arabia, the Hashemite Kingdom of Jordan, the Arab Republic of Egypt, the State of Qatar, the United States of America, the United Kingdom, Canada, Taiwan, Singapore, and others.

The conference will feature the presentation of approximately 100 research papers for four days. In addition, there will be a Student Poster Competition in which university students from across the country participate. Winners of this competition will be announced at the end of the conference.
